Aditi Kumari

Software Engineer — React.js — Node.js — JavaScript — SQL

+91-9199997517 · aditikumari35355@gmail.com · LinkedIn · LeetCode · GitHub · Bengaluru, India

Summary

Backend-focused Software Engineer with production experience at MAQ Software working on data-intensive applications, API integrations, SQL validation, and automated testing for a US financial-services engagement. Hands-on experience building backend systems using **Node.js, Express.js, MongoDB, REST APIs, JWT, and Socket.IO** through full-stack projects. Strong foundation in database design, debugging, DSA, and software engineering fundamentals. B.Tech in Computer Science from NIT Agartala (CGPA: 8.28); solved 1500+ DSA problems.

Experience

MAQ Software — Noida, India
Software Engineer I — *Jul 2026 – Present*

- **Promoted to Software Engineer I** within 6 months, recognized for reliable delivery and production code quality on a US financial-services engagement.
- Work on production data workflows and **REST API integrations** in an Agile engineering team; collaborate on implementation, debugging, code reviews, sprint planning, and CI/CD deployments.
- Authored a **SQL schema comparison report** identifying 60+ cross-database discrepancies and developed **pytest** unit tests for pipeline utilities, meeting an 85%+ line-coverage CI gate.
- Develop and maintain **React.js** UI components using **Redux Toolkit** and **Tailwind CSS**, integrating frontend interfaces with backend services and reducing duplicate styling across modules.

MAQ Software — Noida, India
Associate Software Engineer — *Jan 2026 – Jun 2026*

- Built and maintained **Azure Data Factory pipelines** for LAR data refresh and WizEnterprise reports, implementing dynamic `MERGE` logic and race-condition fixes to achieve zero pipeline failures across production refresh cycles.
- Designed a **KPI validation framework** with an orchestrator and SQL template layer for CD Loans, supporting 30+ parameterized test-case IDs, LOB-level isolation, and score-cap enforcement.
- Developed **PySpark notebooks** on Microsoft Fabric Lakehouse for CRA scoring analytics, using Delta tables and weighted multi-test performance calculations.

Education

National Institute of Technology Agartala — Agartala, India
B.Tech in Computer Science & Engineering | CGPA: 8.28 / 10 — *2022 – 2026*

Technical Skills

Languages: JavaScript (ES6+), TypeScript, Python, SQL
Backend & APIs: Node.js, Express.js, REST API Design, JWT Authentication, RBAC, WebSockets, Socket.IO
Databases: MongoDB, PostgreSQL, MySQL, SQL Server; SQL Queries, Database Validation
Testing & DevOps: pytest, Unit Testing, Git, GitHub Actions, CI/CD, Docker (Basics)
Frontend: React.js, Redux Toolkit, Tailwind CSS, HTML5, CSS3
Cloud & Data: Microsoft Azure, Azure Data Factory, Microsoft Fabric, PySpark
Fundamentals: Data Structures & Algorithms, OOP, DBMS, Operating Systems, System Design

Projects

SkilLora | *Full-Stack Learning Management System* — GitHub

- Designed and built the backend of a full-stack LMS using **Node.js, Express.js, and MongoDB**, implementing REST APIs, **JWT authentication**, and role-based access control for student, instructor, and admin roles.
- Integrated **Cloudinary** for media management and **Razorpay/Stripe** payment flows; optimized media delivery to reduce perceived loading latency by approximately 40%.
- *Tech:* Node.js, Express.js, MongoDB, JWT, Cloudinary, React.js, Redux Toolkit

NexMeet | *Real-Time Video Conferencing Platform* — GitHub

- Built a multi-user video conferencing platform using **Node.js, Socket.IO, and WebRTC**, implementing signaling, concurrent room-state handling, live chat, and screen sharing.
- Implemented connection-recovery logic and real-time communication workflows to improve session stability and handle connection failures.
- *Tech:* Node.js, Express.js, Socket.IO, WebRTC, React.js, JavaScript

Achievements

Competitive Programming: Solved 1500+ DSA problems across LeetCode and CodeChef. **LeetCode:** Global Rank 5303 (Weekly Contest 401) — **CodeChef:** Global Rank 1134 (Starter 111 Division).
